## **Our Booking & Cancellation Policies**

“Weekends” include Fri-Sun. “Weekdays” include Mon-Thurs.

### **Bookings**

Your appointment time given is intended as your “arrival time.” Your service will begin after a brief consultation and will include the full stated contact time for the service (e.g., 60-min, 70-min, etc.). We will also allow you time after the massage to relax briefly!

### **Cancellations**

Cancellations with less than 24 hours of notice on WEEKDAYS, and less than 48 hours of notice on WEEKENDS, are subject to a cancellation fee amounting to 80% of the cost of the scheduled service. Guests who miss their appointments without giving any prior notification will be charged in full (100%) of their scheduled service.

We recognize the time of our clients and staff is valuable. When you miss an appointment with us, we not only lose your business, but also the potential business of other clients who could have scheduled an appointment for the same time. Additionally, many times our staff function in an "on call" status and travel to the Spa specifically for your service. For these reasons we are obligated to compensate our staff for their time as well as cover lost revenue.

When you schedule your appointment with us, you are agreeing to these policies. All weekend services, or bookings with less than 24 hours notice, require a credit card to guarantee a reservation. You will not be billed until the completion of service, or if there is a cancellation/no-show. Payment will still be required on the day of service.
